Simple Admit™

***Patients go online to complete a
customized screening and registration.***

Improve efficiencies
Reduce O.R. cancellations
Decrease nurse phone time
Improve consistency
Maximize compliance
Enhance patient satisfaction

With Simple Admit, patients enjoy the convenience of completing a secure online questionnaire, anytime, anywhere. Nurses have immediate access to patient data to review, manage, edit, print, or interface with an EMR...all without spending hours on the phone. That's simply smart.

Simple Admit offers form customization, calls and text messages, onsite training, and customer support seven days a week. Our proven marketing strategies have resulted in 71 percent patient compliance nationwide. **That means nurses have more time for patient care.** Connecting with your patients and improving care is simple with our suite of solutions.
